edges of the binding to the raw edges of the quilt top. Sew the binding to the outside edge around all four sides and miter corners. Stop sewing approximately 12" from where you started and backstitch.

24. Lay both loose ends of binding flat along the quilt edge. Where these two loose ends meet, fold them back onto themselves and press to form a crease. Using this crease as your stitching line, sew the two open ends of the binding together, right sides matching. Trim seam to $\frac{1}{4}$ " and press seam open. Finish sewing the binding to the quilt top.
25. Turn the binding over the raw edge to the back of the quilt and hand or machine stitch in place.
