- No special rulers or supplies are required other than what quilters usually have on hand.
- Basic quilting skills are used throughout the BOM.
- The pattern is provided in its entirety to the quilt store. The instructions for each month are separated to facilitate insertion in each monthly kit.
- All directions and diagrams for the construction of each block are included in each month's page, meaning fewer pages to copy for each BOM participant.
- Consider making bundles with 1/8" yard of each fabric used in the quilt to sell to quilters if they need to replace the fabric cut incorrectly.
