Cut Fabrics
Note: All strips are cut across the width of the fabric (WOF) from selvage to selvage unless otherwise noted. If cut across the length of the fabric (LOF), the LOF notation will be indicated.

From 9595P-33 Panel-Orange:
*Trim panel to 23-1/2” x 43-1/2”.
Note: if panel cannot be trimmed as requested due to its printing process, increase the width of the Border 1 strips so quilt center measures 25-1/2” x 45-1/2” before adding the pieced border. (For instance, Border 1 may be cut at 1-3/4” for sides and 2” for top/bottom.)

From Urban Legend 7101-45 Texture-Gold:
*Cut one 3-3/8” x WOF strip. Sub-cut twelve 3-3/8” squares; cut once diagonally. (A)

From 9603-99 Acorns-Black:
*Cut one 3-3/8” x WOF strip. Sub-cut twelve 3-3/8” squares; cut once diagonally. (B)

From Urban Legend 7101-33 Texture-Terra:
*Cut two 3-3/8” x WOF strips. Sub-cut sixteen 3-3/8” squares; cut once diagonally. (C)

From 9600-41 Crows-Ivory:
*Cut five 2-1/2” x WOF strips for border 3.

From 9602-99 Dots-Black:
*Cut two 3-3/8” x WOF strips. Sub-cut sixteen 3-3/8” squares; cut once diagonally. (D)
*Cut four 1-1/2” x WOF strips for border 1.

From Urban Legend 7101-98 Texture-Black:
*Cut seven 2-1/2” x WOF strips for binding.
*Cut four stars using template.

From Urban Legend 7101-41 Texture-Ivory:
*Cut five 3-3/8” x WOF strips. Sub-cut into fifty-six 3-3/8” squares; cut once diagonally. (E)
*Cut one 5-1/2” x WOF strip. Sub-cut four 5-1/2” squares.

From 9597-99 Stripe-Black:
*Cut four 7” x LOF strips for border 4.

Assemble Blocks
Note: Measurements include 1/4” seam allowances. Sew with right sides together unless otherwise stated. If no direction is specified, press seams toward darker fabric.
1. Sew together the Urban Legend Texture Gold triangles A and the Acorns Black triangles B. Press seams to one direction. Sew the units together in pairs (figure 1). Press seams open and trim ears. Repeat to make twelve 4” patches.

2. Repeat step 1 with the Urban Legend Texture-Terra triangles C and the Dots-Black triangles D (figure 2). Make sixteen patches.

![Figure 2](image2)
3. Sew an Urban Legend Texture-Ivory triangle E to opposite sides of a step 1 unit. Press seams away from center. Sew two more Urban Legend Texture-Ivory triangles E to the remaining sides of the same square (figure 3). Press. Repeat to make twelve 5-1/2” squares.

4. Repeat step 3 with the step 2 units and the remaining Urban Legend Texture-Ivory triangles E (figure 4). Make sixteen 5-1/2” squares.

5. Layer the fusible web onto the star shape and trace four times. Cut each shape 1/8” outside the outline and fuse to the wrong side of the Urban Legend Texture-Black. Cut on the outline and remove paper backing. Fold the Urban Legend Texture-Ivory 5-1/2” squares in half twice and crease the folds to mark the center. Position stars on squares using the creased guidelines and fuse them according to manufacturer’s instructions (figure 5). Machine appliqué using matching thread and the blanket stitch. Make four star corner blocks.

**Assemble Quilt Top**

6. Join the Dots-Black 1-1/2” border strips together end to end using diagonal seams. Cut two strips 43-1/2” long and sew them to each side of the panel. Press seam allowances toward the border strips. Measure the width of the quilt top through the center. Cut two border 1 strips that length and sew one to the top and one to the bottom. Press the seams toward the borders. Quilt center measures 25-1/2” x 45-1/2” up to here.

7. Referring to the quilt photo and diagram for block placement, arrange nine blocks for each side of the quilt. Sew blocks together and sew one border strip to each side of the quilt center. Press seam allowances toward quilt center.

8. Repeat step 7 with the four star corner blocks and the remainder blocks, and sew one border strip to the top and one to the bottom of the quilt center.

9. Repeat step 6 with the Crows-Ivory 2-1/2” strips to make and add border 3.

10. For border 4, mark the quilt center along the sides, top, and bottom. Mark the center of each Stripe-Black 7” border strip. Matching the centers, sew each border strip in place beginning and ending exactly ¼” from the corners. DO NOT trim the extra length.

11. To miter the borders, fold one corner of the quilt on a 45⁰ angle so that the border strips are directly on top of one another and the seams nest together. Place your rotary ruler on the fold of the quilt so that the long edge is against the fold and the 45⁰ line is on the side of the seam. Draw a line from the corner of the quilt top to the outside edge of the border. Pin the borders together. Position your needle on the inside corner where the border meets the quilt. Stitch directly on the line you have drawn to the outside edge of the border. Trim the excess fabric leaving a ¼” seam allowance. Press. Repeat the process for the remaining three corners of the quilt.

**Finishing**

12. Create a quilt sandwich with the batting between the quilt top and the backing. Pin or baste layers together, mark quilting design, and quilt by hand or
machine. When quilting is complete, remove pins or basting, and trim batting and backing even with raw edges of the quilt top.

13. Join the seven Urban Legend Texture-Black 2-1/2” binding strips together end to end using a diagonal seam to make one long strip. Press in half lengthwise. Sew binding to the edges of the quilt top, mitering corners, and overlapping ends. Fold binding to the back of the quilt and stitch it in place by hand to finish.
