Assemble Quilt Top

5. Following the quilt photo for block placement and orientation, lay out ten rows of eight blocks each. Sew the blocks together in each row, then matching adjacent seams sew the rows together in order.

6. For border 1, join the six 1-1/2" 2154-03 Mini Dots - White/Multi strips together end to end using diagonal seams. Measure the vertical length of the quilt top through the center and cut two border strips that length. Sew one strip to each side of the quilt top and press the seams toward the border strips. Measure the width of the quilt top through the center. Cut two border strips that length and sew one to the top and one to the bottom. Press the seams toward the borders.

7. Repeat Step 6 with the seven 3-1/2" 2155-99 Dots – Black strips to make and add border 2.

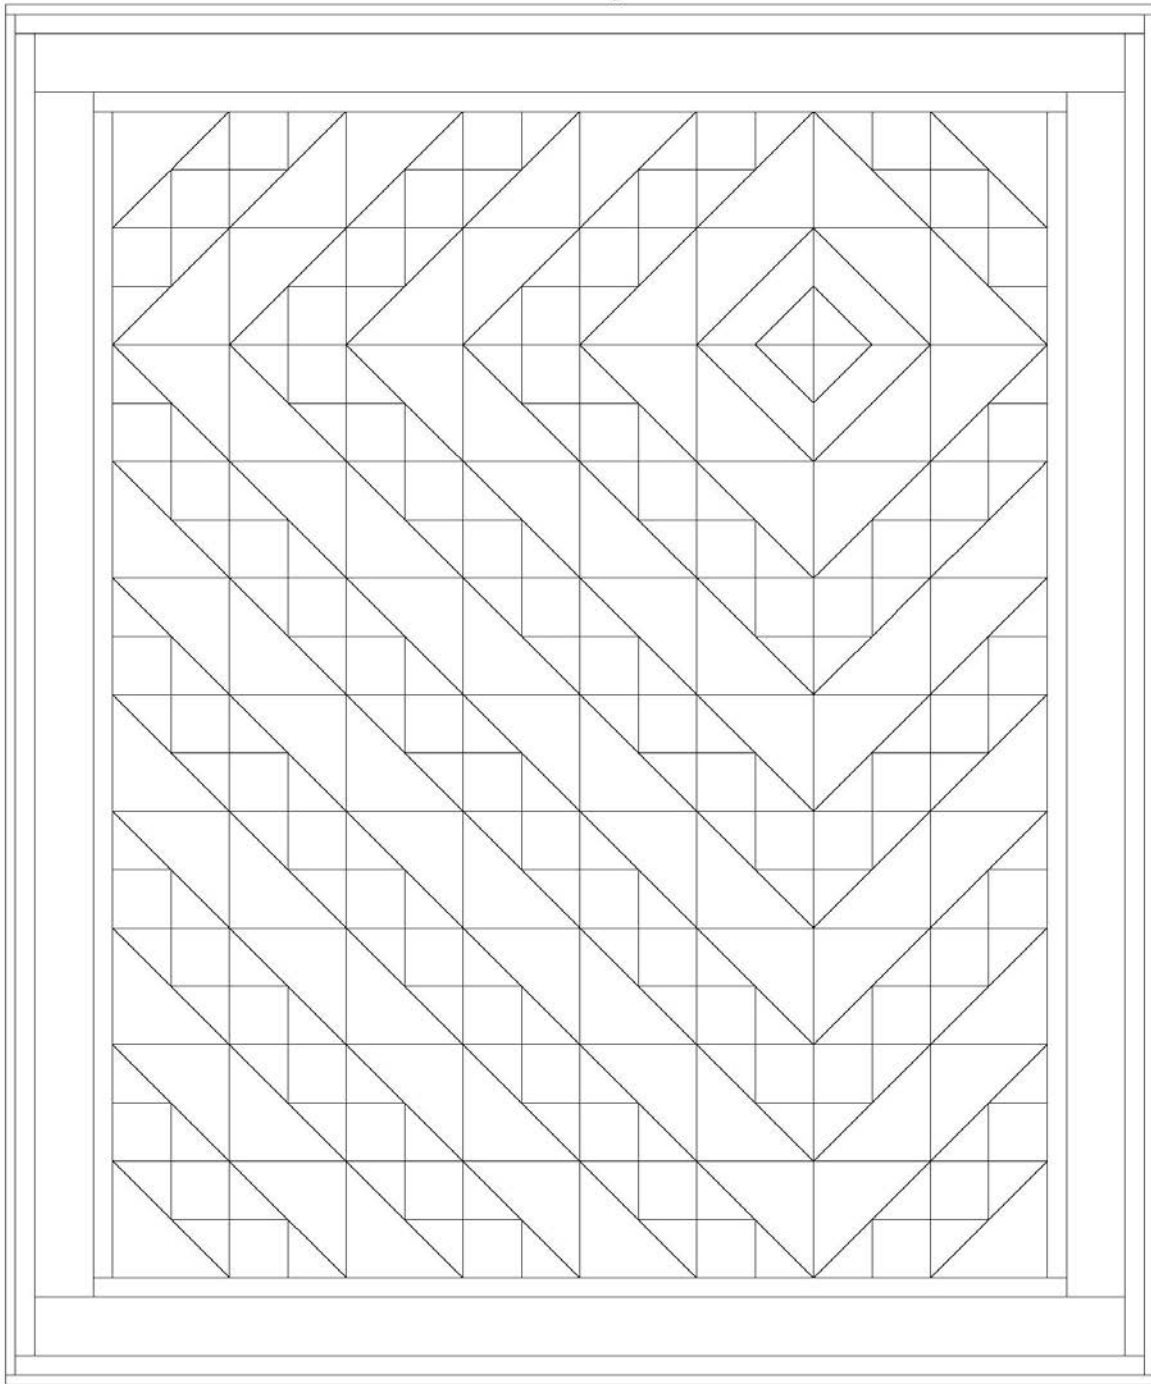

8. Repeat Step 6 with the seven 1-1/2" 3955 Eclipse – Jet Black strips to make and add border 3.

Finishing

9. Create a quilt sandwich with the batting between the quilt top and the backing. Pin or baste layers together, mark quilting design, and quilt by hand or machine. When quilting is complete, remove pins or basting, and trim batting and backing even with raw edges of the quilt top.

10. Join the eight 2-1/2" 3955 Eclipse – Jet Black binding strips together end to end using a diagonal seam to make one long strip. Fold in half lengthwise and press. Sew binding to the edges of the quilt, mitering corners, and overlapping ends. Fold binding to the back of the quilt and stitch it in place by hand to finish.
