Organizer Assembly

Note: Pay attention to the unit orientations when assembling various components. Use a 1/4" seam allowance with right sides together (RST) unless otherwise noted.

1. Place the (2) 9 1/2" x 35 1/2" Fabric A strips, right sides together. Place the layered fabrics on top of the batting and sew around all of the sides, leaving an opening for turning.
2. Turn the sewn unit right side out. Top stitch 1/8" from the edge all the way around, making sure to stitch the opening closed to complete organizer background.
3. Sew (1) 1 1/2" x 3 1/2" Fabric E strip to the top of one 3 1/2" x 4 1/2" Fabric B strip to make (1) Unit 1 strip (Fig. 1). Repeat to make a second Unit 1 strip.
4. Place the Unit 1 strips on top of each other, right sides together. Sew around all four sides of the strips, leaving an opening for turning at the bottom of the pocket. Turn the pocket right side out and fold in the edges of the opening and press to make Unit 2 pocket (Fig. 2). *Note: The opening will be stitch closed when attaching the pocket to the organizer.*
