## Assemble Blocks

*Note: Measurements include 1/4" seam allowances. Sew with right sides together unless otherwise stated. If no direction is specified, press seams toward darker fabric.*

1. Trace the orange peel shape on the plastic to make a template. Cut on the outline. Trace template on the smooth side of the fusible web 160 times and cut each shape 1/8" outside the outline. Fuse forty shapes to the wrong side of each fabric as listed in the cutting instructions. Cut orange peels on the outline and remove paper backing.

2. Noting fabric placement below, position the orange peels on the 5-1/2" 7101-01 Urban Legend-White squares leaving 1/4" between their points and the corners of the squares. Fuse them according to manufacturer's instructions to make twenty blocks of each type (*figure 1*). Machine appliqué using matching thread and the blanket stitch.

## Assemble Quilt Top

der. In the same manner, stitch one border to the top and another to the bottom.

4. For border 2, sew together the four 4-1/2" 9895-66 Daisies-Green strips end to end using diagonal seams. Measure the vertical length of the quilt top through the center and cut two border strips that length. Sew strips to the sides of the quilt top. Measure the width of the quilt top through its center. Cut two border strips that length and sew one to the top and one to the bottom. Press seams toward borders.

5. Repeat step 4 with five 1-3/4" 7101-01 Urban Legend-White strips to make and add border 3. The quilt measures 35-1/2" x 55-1/2" up to here.

6. For border 4 and referring to the quilt photo for block placement, arrange eleven blocks for each side of the quilt. Sew blocks together and sew one border strip to each side of the quilt center. Press the seam toward quilt center.

7. Repeat step 6 with the remainder blocks and sew one 9-block border strip to the top and one to the bottom of the quilt center.

8. Repeat step 4 with the six 1-3/4" 7101-01 Urban Legend-White strips to make and add border 5.

9. For border 6, measure the vertical length of the quilt top through the center and trim the two 4-1/2" 9890-88 Rainbow Leaves-Red strips that length. Sew strips to the sides of the quilt top. Measure the width of the quilt top through its center. Trim the remainder of the strips that length and sew one to the top and one to the bottom. Press seams toward borders.

## Finishing

10. Create a quilt sandwich with the batting between the quilt top and the backing. Pin or baste layers together, mark quilting design, and quilt by hand or machine. When quilting is complete, remove pins or basting, and trim batting and backing even with raw edges of the quilt top.

11. Join the seven 2-1/2" 9570-66 JotDot-Green binding strips together end to end using a diagonal seam to make one long strip. Press in half lengthwise. Sew binding to the edges of the quilt, mitering corners, and overlapping ends. Fold binding to the back of the quilt and stitch it in place by hand to finish.
