Bag Assembly

1. Sew (1) 3 ½" x 6 ½" Fabric B strip to the top of (1) 6 ½" x 8 ½" Fabric A strip to make the bag front (Fig. 1). Repeat to make the Bag Back.

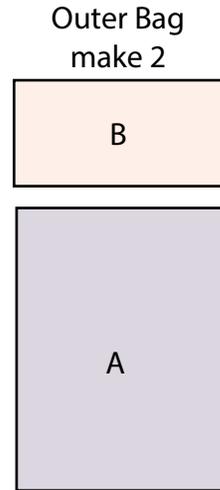

Fig. 1

2. On the wrong side of the bag front, measure down from the top edge 1" and mark. Measure down ¾" from the first mark and make a second mark. Repeat on the other side of the bag front. This marks the top and bottom of the drawstring opening.
3. Place the bag front and bag back right sides together. Starting at the top of one side, sew down each side and across the bottom. Do not sew across the ¾" openings marked in Step 2 to make the outer bag (Fig. 2).

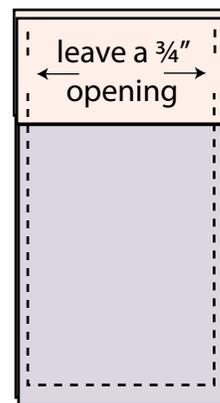

Fig. 2

4. Turn the outer bag right side out and press. Make sure to tuck in the two drawstring openings. Top Stitch each opening to create a finished edge.

5. Place the 6 ½" x 11 ½" Fabric B strips, right sides together. Stitch down each side and across the bottom, leaving a 3"- 4" opening for turning to make the bag lining (Fig. 3).

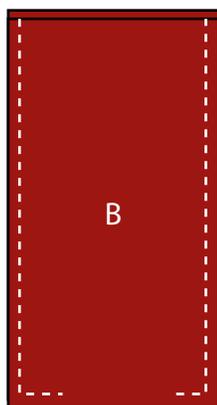

Fig. 3

6. Slide the bag lining over the outer bag, right sides together. Align the side seams on both pieces and sew around the top edge of the bag and lining. Turn the bag right side out through the opening in the lining. Stitch the opening closed.

7. To make the ties, fold (1) 2" x WOF Fabric C strip in half lengthwise and press (Fig. 4). Open the folded fabric and fold each long edge to the creased centerline and press (Fig. 5).

8. Fold the pressed fabric in half again and press to make (1) ½" x WOF strip (Fig. 6). Top stitch down both long sides ⅛" in from the edge to make (1) drawstring (Fig. 7).

9. Cut drawstring in half to make (2) equal length drawstrings. Fold in short ends of each drawstring ¼" and topstitch to finish.

10. Thread the drawstring through one opening on the bag and then back around the other side so that you have both ends of the drawstring on one side. Repeat with the other drawstring starting on the opposite side of the bag.
